Present Land Use/Zoning/General Plan Designation:

Diverse Agriculture (DA)

Project Description: (please use a separate page if necessary)

The property located at 2515 Gravenstein Highway South (APN 063-150-024) is currently under seasonal cultivation on four 10,000 square foot cultivation plots, for a total of 40,000 square feet (sf) of mature canopy under four state cultivation licenses. The second property located at 2409 Meier Road (APN 063-150-010) would be developed with 10,000 sf of mature cannabis canopy. The total outdoor mature canopy for the Proposed Project is 50,000 sf. Reclaimed water from the City of Santa Rosa is the sole water source for the cannabis operation. Processing and storage would take place within five portable on-site trailers. There would be compost areas, harvest storage areas, and a chemical storage area on-site within temporary structures. No construction of permanent structures would be required. No new roads, vegetation removal, and new drainage systems are proposed for this project.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
