*This request is confidential and private and is an attorney work product and attorney client privileged. Distribution is restricted. It may not be reproduced, copied or replicated in any form including print and digital media without the express and written authorization of the Department.*

For the reasons outlined below, the Complainant (Jeff Merriman) requests that the Default Decision and Order be adopted as the decision of the Department, for a revocation of License Number CCL21-0002045 for Respondent Quality Green Leaf, License Number CCL21-0002045 is set to renew on January 27, 2025.

### Background

This case stems out of a failure of Quality Green Leaf, with Tan On as owner, to timely complete the credentialing process of the license into the California Cannabis Track and Trace system, as required under California Code of Regulations, title 4, section 15048, subdivision (b). The Department filed Accusation No. DCC23-0005070-COMP (Accusation) against Respondent on October 18, 2023, and served Respondent with the Accusation on or about October 23, 2023. Respondent failed to file a Notice of Defense within 15 days after service of the Accusation and therefore waived their right to a hearing on the merits of the Accusation.

### Determination of Issues

The Default Decision and Order contains the following determination of issues:

1. Respondent has subjected its Adult-Use-Small Indoor Cultivation License Number CCL21-0002045 to discipline.

2. The Department has jurisdiction to adjudicate this case by default.
3. The Department is authorized to revoke Respondent's Adult-Use-Small Indoor Cultivation License Number CCL21-0002045 based upon the violation of California Code of Regulations, title 4, section 15048, subdivision (b), for failure to complete the credentialing process within ten (10) calendar days after license issuance.

As outlined above, Adult-Use-Small Indoor Cultivation License Number CCL21-0002045, issued to Respondent Quality Green Leaf, with Tan On as Owner, will be revoked.

For the reasons outlined above and in the Attorney General's Office recommendation, Complainant requests the Default Decision and Order be adopted as the Department's decision in this matter.
