Emergency Decision and Order

Pursuant to California Code of Regulations, title 4, section 17815, and article 13 (commencing with section 11460.10) of Chapter 4.5 of Part 1 of Division 3 of Title 2 of the Government Code, the Department of Cannabis Control issues the following Emergency Decision and Order:

The Department of Cannabis Control hereby SUSPENDS the license of Panther Gap Organic Ranch, LLC, license number CCL18-0001612 (Licensee), and orders Licensee, and owner Marion Collamer (Collamer), to **CEASE ALL COMMERCIAL CANNABIS ACTIVITY, CEASE ALL MOVEMENT OF CANNABIS GOODS TO AND FROM THE PREMISES, and CEASE ALL SALES OF CANNABIS GOODS**, at the following location or any other location or activity associated with the license, **effective at 5:00 p.m. on January 21, 2026:**

**5955 Panther Gap Road
Unincorporated, Humboldt County, CA 95545
APN: 107-123-001-000**

This order is based on an immediate danger to the public health, safety, and welfare. Specifically, as set forth in the attached Declaration of Shannon Walkenhauer, there is evidence that the cannabis goods at the Licensee's premises have a reasonable probability of causing serious adverse health consequences and or conditions at the premises present an immediate risk to worker or public health and safety. The Department of Cannabis Control has determined that this order is necessary to prevent or avoid immediate danger to the public health, safety, or welfare, based on the following:

- The Licensee was found in possession of adulterated cannabis or cannabis product which included the product being packaged or stored under unsanitary conditions at the licensed premises, in violation of Business and Professions Code section 26039.6, subdivision (a)(1).
- The Licensee was found cultivating above the canopy limit authorized by their cultivation license type and failed to obtain prior written approval from the Department for such change, alteration, or modification of the premises, in violation of California Code of Regulations, title 4, sections 15000.1, subdivision (c) and 15027, subdivision (b)(3).
- The Licensee transferred, assigned or sublet its cultivation license to another person to conduct commercial cannabis operations at the licensed premises, in violation of California Code of Regulations, title 4, sections 15000.1, subdivision (e) and 15000.4.
- The Licensee failed to tag and enter all cannabis inventory in the track and trace system, in violation of California Code of Regulations, title 4, sections 15048.1,

subdivision (a)(5) and 15049.

- The Licensee failed to reconcile its cannabis inventory within the track and trace system at least once every thirty (30) calendar days, in violation of California Code of Regulations, title 4, sections 15048.1, subdivision (a)(8) and 15051, subdivision (a)(1).

This circumstance requires immediate action by the Department of Cannabis Control to protect the public health, safety, or welfare, and to prevent the sale of contaminated cannabis or cannabis goods.

While the license is suspended, you must comply with the provisions of California Code of Regulations, title 4, section 17816 and conspicuously and continuously display the Notice of Suspension, provided with this Notice, on the exterior of the premises referenced in this Notice. Failure to comply with this requirement may result in further disciplinary action.

You have the right to be heard before the Director of the Department of Cannabis Control, or his designee, regarding the allegations in the Emergency Decision and Order, prior to the effective date of the Emergency Decision and Order, when practicable. The attached Notice of Emergency Decision and Order provides details on how to request a hearing, as well as a hearing date should one be requested.

Within 10 days after the effective date of the Emergency Decision and Order, the Department will file an Accusation on the charges and allegations set forth in the Emergency Decision and Order. The adjudicative proceedings shall be conducted in accordance with chapter 5 (commencing with Section 11500) of part 1 of division 3 of title 2 of the Government Code.

The Emergency Decision and Order, effective at 5:00 p.m. on January 21, 2026, shall remain in effect until such time as the Accusation has been fully adjudicated or upon issuance of the final decision and order following judicial review if obtained pursuant to Government Code section 11460.80.
