Emergency Decision and Order

Pursuant to California Code of Regulations, title 4, section 17815, and article 13 (commencing with section 11460.10) of Chapter 4.5 of Part 1 of Division 3 of Title 2 of the Government Code, the Department of Cannabis Control issues the following Emergency Decision and Order:

The Department of Cannabis Control hereby SUSPENDS the license of IGP Distribution, Inc., license number C11-0001425-LIC (Licensee), and orders Licensee, and owners Mark Escobedo (Escobedo) and Wen Chieh Liu (Liu), to **CEASE ALL COMMERCIAL CANNABIS ACTIVITY, CEASE ALL MOVEMENT OF CANNABIS GOODS TO AND FROM THE PREMISES, and CEASE ALL SALES OF CANNABIS GOODS**, at the following location or any other location or activity associated with the license, **effective at 5:00 p.m. on February 11, 2026:**

**655 E. Gage Ave.,
Los Angeles, CA 90001**

This order is based on an immediate danger to the public health, safety, and welfare. Specifically, as set forth in the attached Declaration of Aric Engkabo, there is evidence that the Licensee is engaging in the illegal diversion of cannabis or cannabis goods. The Department of Cannabis Control has determined that this order is necessary to prevent the sale, transfer, or transport of illegal cannabis goods in possession of the Licensee and to prevent the illegal diversion of cannabis goods, based on the following:

- The Licensee failed to provide the Department's special investigators with full and immediate access to the licensed premises for purposes of conducting a regulatory inspection at the licensed premises, in violation of California Code of Regulations, title 4, sections 15000.3, subdivision (d) and 17800, subdivision (a).
- The Licensee failed to participate and cooperate in the inspection and investigation and refused to respond to the Department's inquiries or requests for contact and access, in violation of California Code of Regulations, title 4, sections 17800, subdivision (b) and 17801.

- The Licensee refused, impeded, obstructed and/or interfered with the Department's inspection of premises and records by notifying the Department that IGP Distribution, Inc. was not in active operation, while concurrently and actively receiving and transferring hundreds of thousands of pounds of cannabis and cannabis products to and from its California Cannabis Track and Trace account, falsifying information entered into its California Cannabis Track and Trace account, in violation of California Code of Regulations, title 4, section 15047.2, and failing to provide the Department with records related to its commercial cannabis activity upon request, including video surveillance camera footage, sales invoices, employee records, and transport records, in violation of Business and Professions Code section 26160, subdivisions (a)-(e), and California Code of Regulations, title 4, sections 15044, subdivision (i), 15037, subdivision (a), and 15312.
- The Licensee maintained an active inventory and continued receiving and transferring hundreds of packages of cannabis and cannabis products after being evicted from its licensed premises, in violation of California Code of Regulations, title 4, sections 15000.1, subdivision (c), 15000.7, subdivision (a), 15023, subdivision (h), and 15027, subdivisions (a) and (e),

This circumstance requires immediate action by the Department of Cannabis Control to protect the public health, safety, or welfare, and prevent the illegal diversion of cannabis goods from entering the cannabis market.

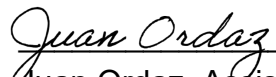

While the license is suspended, you must comply with the provisions of California Code of Regulations, title 4, section 17816 and conspicuously and continuously display the Notice of Suspension, provided with this Notice, on the exterior of the premises referenced in this Notice. Failure to comply with this requirement may result in further disciplinary action.

You have the right to be heard before the Director of the Department of Cannabis Control, or his designee, regarding the allegations in the Emergency Decision and Order, prior to the effective date of the Emergency Decision and Order, when practicable. The attached Notice of Emergency Decision and Order provides details on how to request a hearing, as well as a hearing date should one be requested.

Within 10 days after the effective date of the Emergency Decision and Order, the Department will file an Accusation on the charges and allegations set forth in the Emergency

Decision and Order. The adjudicative proceedings shall be conducted in accordance with chapter 5 (commencing with Section 11500) of part 1 of division 3 of title 2 of the Government Code.

The Emergency Decision and Order, effective at 5:00 p.m. on February 11, 2026, shall remain in effect until such time as the Accusation has been fully adjudicated or upon issuance of the final decision and order following judicial review if obtained pursuant to Government Code section 11460.80.
