## **EMERGENCY DECISION AND ORDER**

Pursuant to California Code of Regulations, title 4, section 17815, and article 13 (commencing with section 11460.10) of Chapter 4.5 of Part 1 of Division 3 of Title 2 of the Government Code, the Department of Cannabis Control issues the following Emergency Decision and Order:

The Department of Cannabis Control hereby **SUSPENDS** the license of LB Anaheim Street LLC, license number DCC-10003420, (Licensee) and orders Licensee, and owner Kenneth Corben, to **CEASE ALL COMMERCIAL CANNABIS ACTIVITY, CEASE ALL MOVEMENT OF CANNABIS GOODS TO AND FROM THE PREMISES, and CEASE ALL SALES OF CANNABIS GOODS**, at the following location or any other location or activity associated with the licenses, **effective at 10:00 a.m. on April 1, 2026:**

**1445 W. Anaheim Street  
Long Beach, CA 90813**

This order is based on an immediate danger to the public health, safety, and welfare. Specifically, as set forth in the attached Declaration of Traci Ploharz-Lucchesi, there is evidence of conditions at a licensee's premises that the licensee is engaging in the manufacture, storage, and transfer of illegal cannabis goods in possession of the Licensee and that the licensee is engaging in the illegal diversion of cannabis goods. The Department of Cannabis Control has determined that this order is necessary to prevent the manufacture, storage, and transfer of illegal cannabis goods in possession of the Licensee and to prevent the illegal diversion of cannabis goods, based on the following:

- The licensee failed to grant the Department full and immediate access to enter the licensed premises, in violation of California Code of Regulations, title 4, sections 15000.3 and 17800, subdivision (a)(1).
- The licensee failed to provide copies of video surveillance recordings to the Department upon request in violation of California Code of Regulations, title 4, section 15044, subdivision (i).
- The licensee accepted the return of cannabis and cannabis product that had completed Compliance Testing without prior approval from the Department in violation of California Code of Regulations, title 4, section 15052, subdivision (a)(1).
- The licensee failed to sign and return multiple Notices to Comply within the timeline specified by the Department and failed to correct the violations identified in the

Notices to Comply in violation of California Code of Regulations, title 4, section 17801, subdivisions (d) and (e).

- The licensee failed to maintain accurate records of commercial cannabis activity and failed to provide and deliver records to the Department upon request in violation of Business and Professions Code section 26160 and California Code of Regulations, title 4, section 15037.

These circumstances require immediate action by the Department of Cannabis Control to protect the public health, safety, or welfare, and prevent illegal diversion or inversion of cannabis goods from entering the cannabis market.

While the license is suspended, you must comply with the provisions of California Code of Regulations, title 4, section 17816 and conspicuously and continuously display the Notice of Suspension, provided with this Notice, on the exterior of the premises referenced in this Notice. Failure to comply with this requirement may result in further disciplinary action.

You have the right to be heard before the Director of the Department of Cannabis Control, or his designee, regarding the allegations in the Emergency Decision and Order, prior to the effective date of the Emergency Decision and Order, when practicable. The attached Notice of Emergency Decision and Order provides details on how to request a hearing, as well as a hearing date should one be requested.

Within 10 days after the effective date of the Emergency Decision and Order, the Department will file an Accusation on the charges and allegations set forth in the Emergency Decision and Order. The adjudicative proceedings shall be conducted in accordance with chapter 5 (commencing with Section 11500) of part 1 of division 3 of title 2 of the Government Code.

The Emergency Decision and Order, effective at 10:00 a.m. on April 1, 2026, shall remain in effect until such time as the Accusation has been fully adjudicated or upon issuance of the final decision and order following judicial review if obtained pursuant to Government Code section 11460.80.
