Emergency Decision and Order

Pursuant to California Code of Regulations, title 4, section 17815, and article 13 (commencing with section 11460.10) of Chapter 4.5 of Part 1 of Division 3 of Title 2 of the Government Code, the Department of Cannabis Control issues the following Emergency Decision and Order:

The Department of Cannabis Control hereby **SUSPENDS** the license of Emerald City Organics Inc., license numbers CCL19-0003985, C11-0000520-LIC, and DCC-10003142 (Licensee), and orders Licensee, and owners David Shahnazarian and Elias Abginesaz (Collamer), to **CEASE ALL COMMERCIAL CANNABIS ACTIVITY, CEASE ALL MOVEMENT OF CANNABIS GOODS TO AND FROM THE PREMISES, and CEASE ALL SALES OF CANNABIS GOODS**, at the following location or any other location or activity associated with the license, **effective at 10:00 a.m. on April 21, 2026:**

**3540 E. Pico Boulevard
Los Angeles, CA 90023**

This order is based on an immediate danger to the public health, safety, and welfare. Specifically, as set forth in the attached Declaration of Guadalupe Sanchez, there is evidence that the cannabis goods at the Licensee's premises have a reasonable probability of causing serious adverse health consequences and or conditions at the premises present an immediate risk to worker or public health and safety. The Department of Cannabis Control has determined that this order is necessary to prevent or avoid immediate danger to the public health, safety, or welfare, based on the following:

- The licensee failed to keep accurate records of commercial cannabis activity and failed to provide and deliver records to the Department upon request in violation of Business and Professions Code section 26160, subdivisions (a)-(e) and California Code of Regulations, title 4, section 15037.
- The Licensee failed to maintain an operating video surveillance system, in violation of California Code of Regulations, title 4, section 15044, subdivisions (a)-(d),(f).

- The Licensee failed to provide video surveillance footage in response to the Department's request, in violation of California Code of Regulations, title 4, sections 15044, subdivision (i).
- The Licensee failed to retain video surveillance footage for 90 days, in violation of California Code of Regulations, title 4, sections 15044, subdivision (h).
- The Licensee failed to notify the Department of a burglary that occurred in November 2025, in violation California Code of Regulations, title 4, sections 15036.
- The Licensee failed to record within 24 hours in California Cannabis Track and Trace account the use of cannabis or cannabis product for internal quality control testing or product research and development and the destruction or disposal of cannabis or cannabis products, in violation of California Code of Regulations, title 4, section 15049, subdivisions (4-5). Emerald City Organics, Inc. stated they were non-operational while actively adjusting down thousands of pounds of cannabis from its California Cannabis Track and Trace account.
- The Licensee failed to tag and enter all cannabis inventory in the track and trace system, in violation of California Code of Regulations, title 4, sections 15048.1, subdivision (a)(5) and 15049.
- The Licensee failed to reconcile its cannabis inventory within the track and trace system at least once every thirty (30) calendar days, in violation of California Code of Regulations, title 4, sections 15048.1, subdivision (a)(8) and 15051, subdivision (a)(1).

This circumstance requires immediate action by the Department of Cannabis Control to protect the public health, safety, or welfare, and to prevent the sale of contaminated cannabis or cannabis goods.

While the license is suspended, you must comply with the provisions of California Code of Regulations, title 4, section 17816 and conspicuously and continuously display the Notice of Suspension, provided with this Notice, on the exterior of the premises referenced in this Notice. Failure to comply with this requirement may result in further disciplinary action.

You have the right to be heard before the Director of the Department of Cannabis Control, or his designee, regarding the allegations in the Emergency Decision and Order, prior to the effective date of the Emergency Decision and Order, when practicable. The attached Notice of Emergency Decision and Order provides details on how to request a hearing, as well as a hearing date should one be requested.

Within 10 days after the effective date of the Emergency Decision and Order, the Department will file an Accusation on the charges and allegations set forth in the Emergency Decision and Order. The adjudicative proceedings shall be conducted in accordance with chapter 5 (commencing with Section 11500) of part 1 of division 3 of title 2 of the Government Code.

The Emergency Decision and Order, effective at 10:00 a.m. on April 21, 2026, shall remain in effect until such time as the Accusation has been fully adjudicated or upon issuance of the final decision and order following judicial review if obtained pursuant to Government Code section 11460.80.
